The NAVWAR List:

<https://www.public.navy.mil/navwar/Documents/List.pdf>
Provides a listing of programs, projects, and funded work efforts associated with NAVWARSYSCOM at the HQ and PEO levels. The list does not include the few program lines managed by NAVWAR that fund wholly classified work efforts.

NAVWAR OVERVIEW

NAVWAR delivers information warfare and cyber capabilities to the Fleet and is the Navy's technical authority and acquisition command for command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR), business information technology and space systems.

NAVWAR develops, buys, installs and integrates information warfare and cyber capabilities for the Fleet and other Navy partners. NAVWAR and partner Program Executive Offices (PEOs) support the entire acquisition lifecycle of C4ISR products and services.

The command is comprised of diverse PEOs, directorates and field activities. It is uniquely composed to deliver information warfare and cyber capabilities to the Navy, the Department of Defense and other government agencies:

- NAVWAR Headquarters (San Diego, Calif.)
- PEO C4I (San Diego, Calif.)
- PEO Space Systems (San Diego, Calif.)
- PEO Enterprise Information Systems (Arlington, Va.)
- Joint Tactical Networking Center (San Diego, Calif.)
- NIWC Pacific (San Diego, Calif.)
- NIWC Atlantic (Charleston, S.C.)

FLEET SUPPORT: Best Value Programs (Examples only)

Navy's C4I Provider

- Move to one provider of common C4I equipment across the Fleet - for both new construction and equipment overhaul

CANES - Consolidated Afloat Network and Enterprise Services

- Will achieve an open, agile, flexible and affordable architecture that is the cornerstone for the Navy's tactical afloat network

Design Budget Strategy

- Provides current C4I equipment later in construction period benefiting the Fleet by avoiding "rip out and replacement" prior to first deployment

MUOS - Mobile User Objective System

- Next generation satellite communication system that provides mobile users with higher data rates and improved operational availability

Bandwidth Improvement

- Commercial Broadband Satellite Program

HOW TO DO BUSINESS WITH NAVWAR

Visit our website to view current and future business opportunities: <https://e-commerce.sscno.nmci.navy.mil> Select from the left side of the main menu, one of three buying offices:

- Headquarters
- NIWC Pacific
- NIWC Atlantic

Acquisitions for the PEO are included on the NAVWAR Headquarters website.

Market Surveys & Future Opportunities – View “Sources Sought Notices,” “Pre-Solicitation Notices,” “Request for Information,” or “Draft Solicitations.” Sources Sought Notices are requests for capability statements evaluated for purposes of determining the level of competition available. Results from these notices are frequently used to determine the possibility for an 8(a), HUBZone, Service Disabled Veteran Owned, Women Owned Small Business, or small business set-aside. Be sure to “**Subscribe**” to any opportunity you would like to electronically track. When you subscribe you will automatically be added to the “Bidders’ List.”

Open Solicitations – View current solicitations including the statement of work. You may also view the electronic “Prospective Bidders List” for a solicitation to locate teaming partners or points of contact for subcontracting opportunities. The list will include all those who have subscribed to the solicitation.

Simplified Acquisitions (SAP) – View supply or service acquisitions with an anticipated dollar value between \$3,500 and \$250,000. These purchases are normally reserved for small business concerns.

Closed Solicitations – View solicitations that have closed and are currently under “Evaluation.”

Awarded Contracts – View contracts that have been awarded, look for subcontracting opportunities.

i-Services:

Subscription Services - You may choose to anonymously browse our website. However, we also offer “Solicitation Subscription” services to notify you by email when NAVWAR solicitations are updated (e.g. issuance of Amendments to solicitations, messages regarding Pre-Solicitation Conferences, issuance of Statement of Work and other associated data, etc.). **NOTE:** The government makes no guarantee of email notification. Visit the site frequently.

Registered Users - You must be a registered user to ask questions and submit electronic proposals on-line. On-line proposals are protected by 128-bit Secure Socket Layer encryption and may be viewed only by the contract specialist, contracting officer and author.

News: - On the e-commerce welcome page, look at the “news” for announcements such as industry days, small business events and contracting information.

FREQUENTLY ASKED QUESTIONS

What do I need to do to get started?

Visit the Department of Navy Office of Small Business Programs (OSBP) and the NAVWAR OSBP websites for helpful information.

<http://www.secnaw.navy.mil/smallbusiness/pages/index.aspx>
<https://www.public.navy.mil/navwar/Pages/SmallBusiness.aspx>

What other resources are available to me?

- NAVWAR Small Business Office Team – We operate as the NAVWAR advocate for small business and we offer one-on-one counseling. See page 1 for contact information.
- Small Business Administration Office <http://www.sba.gov>
- Procurement Technical Assistance Centers
<http://aptac-us.org/new/> or call (619) 285-7020
- Small Business Development Center – North San Diego County <http://www.sandiegosmallbiz.com/> or call (760) 765-8740

Where do I find more information about SEAPORTENHANCED (Seaport-e)?

The official website <http://www.seaport.navy.mil> will be the home of all Official SeaPort Enhanced Rolling Admissions information, including the Solicitation, industry briefs, and other notices to industry. Please check the website frequently for the latest information.

What is the JTNC?

As part of the Department of Defense, the Joint Tactical Networking Center (JTNC) develops, sustains and certifies joint tactical networking applications and waveforms for the warfighter; thus ensuring secure, interoperable and affordable battlefield networking systems. It is the provider for centralized management, development and sustainment of joint waveform and network management applications. For more information visit: <http://www.jtnc.mil>

Does NAVWAR participate in the Small Business Innovative Research (SBIR) Program?

Yes, go to <http://www.navysbir.com/pm-poc.htm> for a list of SBIR program managers. All DoD SBIR/STTR solicitations are available in electronic format ONLY at

<http://www.acq.osd.mil/sadbu/sbir>
<http://www.navysbir.com/selections.htm>

What is System for Award Management (SAM.gov)?

SAM is a federal government owned and operated free website that consolidates the capabilities in CCR/FedReg, ORCA and EPLS. Future phases of SAM will add the capabilities of other systems used in federal procurement and awards processes. Additional information, such as a full user guide, quick start guides, helpful hints and webinars are available on the SAM HELP tab.
